It is with great pride that we welcome you to our 31st annual production sale. We are very excited and proud of the horses we are offering for sale. The Weaver family has a long tradition of raising horses. The family came to Montana in 1888 and have been breeding and raising horses for over 130 years. Our brand, <sup>X</sup>/<sub>A</sub>, was recorded in the Weaver name in 1888 and our grandchildren are the sixth generation to ride horses with this brand.

We feel very fortunate to be a part of a business that we love so much. We take great pride in our broodmares and the colts they produce for you, the buying public. We try to raise a horse that is versatile enough for any job you have for him or her. All of the weanlings will be halter broke and registered with the AQHA. All Weaver horses are eligible for the AQHA Ranching Heritage Challenge. A big thank you to our customers and we look forward to seeing and visiting with you on sale day.

# Smart Topaz

**SMART TOPAZ**

SMART TOPAZ is an outstanding stallion that came from the 6666's Ranch of Guthrie, Texas. He was hands down their top colt of 2015 and we feel very fortunate to own him. We have ridden "Topaz" on the ranch, he is extremely athletic, very willing and cowy.

His sire, WR THIS CATS SMART, is one of High Brow Cats top sons. He has won \$236,514 in cutting and was the NCHA Open Finals Champion.

His offspring have earnings of over \$20 million. WR THIS CATS SMART is the number two all-time sire in NRCHA, and the number three all-time ranch horse sire. He is a very versatile sire and you are now seeing a lot in the roping pen. His mother, PADDYS TOPAZ is one of the 6666's top mares. She is the granddaughter of the great mare CASEY'S LOVELADY, inducted into the 2017 AQHA Hall of Fame. PADDYS TOPAZ is the mother to their stallion, JESSES TOPAZ, one of the truly great young sires of the breed. SMART TOPAZ has become very popular with our customers here at Weaver Quarter Horses. He sires colts with a lot of bone and size, plus his good looks and athleticism. He himself has tremendous bone and size (he measured 15.3 hands on his 3rd birthday). His offspring are winning in the NRCHA and roping pens. I look forward to this year's colt crop getting out and performing. We have his daughters in production now, and there are some colts out of them in the sale this year. I really like the way his daughters are maturing into broodmares. They are big strong mares with big hips and great bone. They cross well with any sire. Some of our best young mares are SMART TOPAZ mares. We are expecting great things from this sire. SMART TOPAZ is making a lasting impact on our program. 6 Panel N/N

# Genuinely Busy

GENUINELY BUSY is a really well-muscled, good looking son of TUF N BUSY. He is that pretty golden buckskin color. We purchased GENUINELY BUSY from Terri White and she was also the owner of TUF N BUSY. This was the colt she kept to replace TUF N BUSY, and we feel very fortunate to be able to own a horse of this caliber. It just doesn't get any better - not only does he have a great cow horse pedigree, he also has the color, looks and ability to back it up.

GENUINELY BUSY is an own son of TUF N BUSY and TUF N BUSY's offspring have won over 3,740 AQHA points, 27 ROM winners, mostly in roping events; and he has sired 46 point earners out of 236 foals sired. Plus, they have won at all levels of roping from Amateur to PRCA with earnings in NCHA, NRHA and NRCHA.

GENUINE LEIGH WRIGHT was an outstanding calf roping horse and was hauled in the PRCA. She is an own daughter of LENA'S WRIGHT ON. He has a LTE of \$109,995 and won the NRHA futurity as a three-year-old and was an AQHA World Champion Working Cow Horse as a five-year-old. He is the sire of NRHA and NRCHA money earners as well as an AQHA Champion. This is our 14th crop by GENUINELY BUSY. We are extremely proud of his offspring and what they are doing out in the world. Everyone that rides a "RICKY" colt loves their attitude and easy-to-get-along with demeanor. We get a lot of repeat buyers with the GENUINELY BUSY colts, just like we did with the IMA TUF LENA colts. That says a lot for the TUF N BUSY bloodlines. His colts are really starting to excel in the roping pen. He had four offspring in the Riata Buckle roping last year, they are being hauled in all levels.

I couldn't be happier with "RICKY." He sires colts with a lot of cow and athletic ability but most of all, they are extremely good minded and very trainable. This is an outstanding set of colts this year. His daughters are just coming into production and I am very pleased with their colts. We have excellent frozen semen available on GENUINELY BUSY, and his offspring are eligible for the Riata Buckle. 6 Panel N/N

# Bet Hesa Echo Cat

**BET HESA ECHO CAT**

I am really high on this horse, he possesses a lot of the qualities I like to see in a stallion. He is extremely athletic, very cowy, and has that want to please attitude. We are really pleased with his colts, they possess his athletic ability and have been extremely good to work with. "Charlie" sires colts with extremely good bone and size. Their quiet demeanor and want-to-please attitude are making them very popular. BET HESA ECHO CAT is a colt we bought at the 2018 NRCHA Futurity Sale, and is a big, strong red roan stallion by BET HESA CAT. BET HESA CAT is one of the hottest Snaffle Bit Futurity sires going today, and they are become very popular in the roping pen. This horse is also out of an own daughter of NRCHA Snaffle Bit Futurity Champion BOONLIGHT DANCER.

BET HESA CAT has NCHA earnings of \$267,465 and was a NCHA Open World Champion. One of only three stallions in history to sire an NRCHA Open Snaffle Bit Futurity Champion and Reserve Champion in the same year. He is a leading sire of NRCHA money earners. Sire of offspring with earnings in

excess of \$7 million. His mother ECHO NTHE BOONLIGHT is a NCHA money earner and a daughter of BOONLIGHT DANCER, LTE \$136,236, 2001 NRCHA World Champion Open Snaffle Bit Futurity, with offspring earnings of \$1.5 million. We are excited for what this colt brings to our program with his great working cow horse pedigree. His colts are making their mark in the roping pen, they are proving to be really cowy and big time stoppers. I am really proud of this set of colts by BET HESA ECHO CAT, I know you will like them. His colts just get better each year. His colts are eligible for the Riata Buckle. 5 Panel N/N, N/My

# One Gun At A Time

A well-bred cow horse pedigreed stud we bought from Wagonhound Ranch of Douglas, Wyoming. An own son of the \$21.7 million dollar sire ONE TIME PEPTO, has accumulated winnings of \$331,096 and won the 2005 Super Stakes Open Championship and the 2006 Augusta 5/6 year-old Open Classic Championship and the 2006 Abilene Spectacular Open Classic Championship among others. ONE TIME PEPTO is the number one sire of Reined Cow Horses and the number five sire of Cutting Horses. The mare family is outstanding. Dustin Ewing will tell you that PLAYGUNS MELODY is Wagonhound's best mare. She is own daughter of the \$9.5 million dollar sire PLAYGUN, and her offspring have earnings of \$254,742. The Wagonhound ranch had the misfortune of losing this excellent mare last year. ONE TIME MELODY, a full sibling to ONE GUN AT A TIME, was a Top Ten Finisher in the Reno Open Futurity. PLAYGUNS PEPTO, another full sibling, was the Tri-State AQHA Ranching Heritage Four-Year-Old Open Working Ranch Horse Champion. STRESSIN, "Gunner's" granddam, is the mother of money earners of \$707,466. One cannot write a better cow horse pedigree. "GUNNER" is a big, strong horse that stands 15.1" and received a year of reined cow horse training. My kids will tell you he is the most athletic stallion we have ever owned, which is saying a lot. We feel very fortunate to own him. We are excited with the colts GUNNER has sired, and we are just starting to ride them. They are extremely athletic colts that enjoy working cattle. GUNNER'S foals have a lot of presence in the field, and as you will see, he sires colts that are uniform in their appearance. We know you will like the colts that we are offering this year. 5 Panel N/N, N/My

# PC Laughin Judge

**PC LAUGHIN JUDGE**

PC LAUGHIN JUDGE, a big, powerful gray horse that is an own son of JUDGE CASH. He brings a big time rodeo pedigree to our program, and we really like his colts. This is his fifth crop of foals and we are excited to watch his colts grow up. They are showing good size and willing attitudes. I really like his daughters that we have retained for future broodmares. PC LAUGHIN JUDGE possesses great bone and feet. He sires colts with good bone, withers and a lot of them have his gray color. It will

be exciting when these colts hit the rodeo scene. The JUDGE CASH/SUN FROST cross is really starting to win in the barrel racing and the roping pen.

JUDGE CASH has race earnings of \$115,936 and SI 110. He has sired race earners of over a million dollars and barrel race earning of over \$2 million, four NFR Qualifiers, including the

I really like the BOON DOX JOHN bred horses, if you look back at the studs I used over the years, you will see many trace to this great sire, all from the mare side. He also has two shots of SUN FROST and traces to the great LAUGHING BOY. It would be hard to write a better rodeo pedigree. PC DOX CAJUN, a circuit champion sire and PC MISS SAN BARS, producer of several rodeo winners, was a full sister to the great PC LAUGHIN SUNDUST - both are  $\frac{3}{4}$  siblings to FRENCHMANS GUY. We are just starting to ride his colts, and they possess their dad's laidback attitude and like to get out and cover country. 6 Panel N/N

# Originally Smooth

ORIGINALLYSMOOTH is an extremely good looking buckskin stud that we purchased from Copper Spring Ranch in Bozeman, Montana. He looks more like his sire everyday. We like "MARCO'S" pedigree with lots of speed and a shot of cow. Marco is sired by A SMOOTH GUY, one of FRENCHMANS GUY'S top sons. A SMOOTH GUY is a leading sire of horses sold in 2015, 2016 and 2017. He also won AQHA points in heading and heeling. And he is siring winners of over \$3 million with \$930,000 in 2021 alone. Offspring won more than \$170,000 at the first Riata Buckle. And they continue to win at all levels. He is the sire of SMOOTH N FAMOUS, a multiple Futurity finalist and earnings to date of \$160,000 and A SMOOTH MOVIN GUY, the 2018 Reserve Champion in Old Fort Days Futurity. His colts are competing in all disciplines, including breakaway roping. A SMOOTH GUY is known for siring level-headed horses that are easy to train. Marco sure fits the mold, as he is intelligent and willing to learn. He has also shown a lot of athleticism when ridden.

Marco's dam, THE ORIGINAL SIN, has a SI of 89 and race earnings of over \$9,860. She is the mother to four starters with earnings of over \$12,000. She is an own daughter of FIRST DOWN DASH SI of 105 with race earnings of \$857,256. His maternal Grandsire was AQHA three-year-old Champion, RARE FORM, SI 120 with Equi Stat barrel racing earnings of \$107,244. This is an excellent set of colts sired by Marco with something for everyone. He sires colts with excellent hips and great eye appeal. They are well received by customers. We are riding his colts now and they are all we thought they would be. His daughters are proving to be great broodmares as you will see throughout the catalog. They raise colts with a lot of style and looks.

# Once In A Play Boon

**ONCE IN A PLAY BOON**

An outstanding bay roan stud sired by the great ONCE IN A BLU BOON and out of the great mare PLAYGUNS MELODY. When we got the chance to buy another colt out of this mare, we jumped at it. She was truly one of the great mares in the industry. ONCE IN A PLAY BOON, or "Tyson", is an extremely heavy boned horse with good thickness. We have ridden him here on the ranch and he has a laid back attitude and really loves people. He is extremely cowy and eager to do anything you ask.

ONCE IN A BLU BOON has winnings of \$319,002, and has sired offspring of over \$16 million. ONCE IN A BLU BOON and ONE TIME PEPTO are PEPTOBOONSMAL's highest earning offspring. ONCE IN A BLU BOON is the sire of ALL SPICE (\$384,304)

2020 NCHA Futurity Champion, 2021 NCHA Open Horse of the Year, and sold for a record breaking \$5 million at public auction; HERE COMES THE BOON (\$246,200) 2019 NRCHA Futurity Champion; BAD BOON RISING (\$367,101) 2018 NCHA Futurity Reserve Champion; and THE DARKK SIDE (\$250,072) AQHA Open World Champion Head

Horse. ONCE IN A BLU BOON is one of the leading sires in the cutting and reined cow horse worlds.

PLAYGUNS MELODY is the daughter of PLAYGUN. PLAYGUN is an all-time leading cutting and reined cow horse sire since 2003. PLAYGUN has influenced multiple disciplines and is a name that resonates with people of the western performance horse industry. He is an out-cross for many of today's popular performance horse bloodlines, and we are glad to bring him into our program through one of his greatest daughters. This is a really nice set of "TYSON" colts

out of cowbred mares. We are just starting to ride the "TYSON" colts and they are everything you would want in a young horse.

# Its Woodys Turn

**ITS WOODYS TURN**

We are excited about the new addition to our stallion battery. "TIMMY" is an own son of WOODY BE TUFF (\$351,000 in NCHA), the \$16+ million dollar sire. In the last year he sired five of the fifteen finalists in the NRCHA Futurity Finals. Sired the winner of two go arounds in the team roping at the National Finals Rodeo and sired the Reserve World Champion at the World's Greatest Horseman. WOODY BE TUFF is the second leading sire of rope horses and the top sire in the NRCHA. Timmy's mother is NO WIMPY TURNS, the great breakaway horse of Shelby Boisjoli-Meged. NO WIMPY TURNS, or "ONNA," is the 2021 and 2023 AQHA/PRCA Breakaway Horse of the Year. Shelby has won over a million dollars on this mare.

Timmy has a complete outcross pedigree as there is no HIGH BROW CAT or PEPTOBOONSMAL. He stands 15'2". He had a year of roping training and we consider ourselves lucky to have been able to obtain him. We have ridden him on the ranch and he is really cowy. Timmy is really laid back and easy to handle. We bred him to our best up and coming young mares for next year and are extremely excited to see his colts next spring.

## **AQHA Past President Stan Weaver Inducted Into American Quarter Horse Hall of Fame and Museum**

Africa, Mexico and Brazil. Stan became an AQHA director in 2011, after having served on the board of directors and as president of the Montana Quarter Horse Association. He has served on AQHA's marketing, public policy, and stud book and registration committees, and he was the first chairman of the AQHA Ranching Council. Stan was a founder—along with Jim Hunt of South Dakota—of the AQHA Ranching Heritage Breeder Young Horse Development Program. He has also been instrumental in corralling Ranching Heritage Breeders to loan horses to the Miss Rodeo America Pageant's horsemanship contest in December in Las Vegas. In 2015 Stan was elected to the AQHA Executive Committee and became president in March 2019, where his foci, among other priorities, were the international and ranching programs. Stan Weaver was inducted into the American Quarter Horse Hall of Fame in 2025.

AQHA Press Release: Montana has been home to the Weaver family since the 1880s. The house where Stan now lives with wife Nancy is the house he grew up in, just a few feet from the original ranch house his grandfather built in the 1920s. Stan and Nancy married in 1974, shortly after he graduated with a degree in accounting from Gonzaga University in Spokane, Washington. Stan took over running the ranch when his father died in 1981, and he and Nancy raised sons David and Daniel and daughter KellyAnne there. The Weavers now run about 450 mother cows and approximately 100 head of horses on the ranch. Stan's dad bought the ranch's first Quarter Horse in 1971, Pretty Miss Denver by Mr Blackburn 41 by Pretty Buck. The mare became the dam of five fillies, whose own daughters regularly produce the highest-selling colts and fillies at the Weavers' annual production sale. Staying with bloodlines that have proven to be cow horses, Stan and Nancy bought their first mare in 1980, Stormy Dun Dee. In 1999, Stan bought Ima Bit Of Heaven, a son of Smart Little Lena out of Peppys From Heaven. Stan says Ima Bit Of Heaven "put us on the map." The Weaver's annual production sale draws buyers from all 50 states, seven Canadian provinces, Australia, Germany, South

The program is supported by AQHA Ranching Heritage Breeders, who donate or sell eligible Ranching Heritage-bred weanlings for youth participants to raise and train. Weaver Quarter Horses will be donating a colt to this program and the horse will be presented to the youth participant on sale day.

Reece Stone (17) from Alberta, Canada was the participant who received WEAVERS BOTTOM GUN in 2025's production sale as part of the Young Horse Development Program. In July 2026 Reese won the Yearling Halter Class with "Finn" at the Wild Rose Quarter Horse Circuit AQHA Show.
